### Fairhaven Church | Volunteering Experience

Since middle school, being an active member of the church I participated in multiple volunteering experiences ranging from organizing donations to humanitarian efforts.

### Matthew 25: Ministries | Volunteering Experience

Through Fairhaven, I found Matthew 25, and have participated in multiple humanitarian experiences at the Blue Ash location.

### Wright-Patterson Air Force Base Info Tech | Job Shadow

In Nov. 2023, I went on a job shadow within WPAFB, exploring the day-to-day operations of roles primarily in IT & safety engineering.

### Kettering Health Network | Internship (Aug 2024 - Present)

My senior year of high school, I got the amazing opportunity to intern in the health care sector with Kettering Health. Through this experience, I've gained knowledge of multiple positions within IT administration and support.

## Accomplishments

### College Promise Scholarship Award | May 2021

This scholarship was awarded based on academics and achievements such as volunteering throughout the school year.

### Business Professionals of America (BPA) State Qualifier | March 2024

BPA is a nationwide competition for a variety of career tech skills. In 2024, I placed 1st in the region for skills in IT Fundamentals, qualifying myself for state.
